

CERTIFICAT ALOE VERA

Informații detaliate privind certificatele, materia primă Aloe vera din care sunt fabricate produsele Essens.

Este un certificat de calitate emis de către o organizație internațională non-profit „Consiliului Internațional Științific pentru Aloe”, cu sediul în Statele Unite și se ocupă doar cu aloe vera.

Producători, prelucrători, fabricanți, dar, de asemenea, medici și oameni de știință sunt membri ai acestei organizații. Aceste organizații sprijină „Aloe Vera” și utilizarea sa în diverse produse - băuturi, produse farmaceutice, de îngrijire a pielii, etc.

Producătorul de materie primă „Aloe Vera” din care sunt fabricate produsele Essens deține mai multe certificate referitoare la anumite produse ale acestei companii.

Anual re-certificarea foarte strictă asigură garanția calității.

Aceste două certificate sunt acordate de către compania americană „International Certification Services, Inc.”, înființată în 1979, care oferă servicii de certificare pentru operațiunile agricole și companiile care produc produse alimentare, toate în conformitate cu ecologia și mediul, fără utilizarea de spray-uri chimice și modificări genetice.

Certificarea este necesară în SUA prin lege, și toate categoriile îi sunt supuse: ferme, prelucrători, fabricanți, etc. Astfel de certificate oferă consumatorilor informații despre produsele organice, ce conțin materii prime produse în mod ecologic. Furnizorul de „Aloe vera” are două certificate de calitate:

USDA National Organic Program - Această certificare asigură că materiile prime sunt produse organice și respectă standardele USDA ale „National Organic Program”.

Farm Verified Organic - acreditarea internațională de mediu care îndeplinește cerințele stricte ale USDA, IFOAM (Federația Internațională a Mișcării Organice în Agricultură) și ISO 65.

Anual re-certificarea foarte strictă asigură garanția calității.

Este un certificat care a fost emis de compania mexicană VIVA HALAL A.C, specializată în produse certificate destinate pieței musulmane, ceea ce înseamnă că acestea sunt acceptate sub Sharia - legea religioasă islamică.

Anual re-certificarea foarte strictă asigură garanția calității.

Certificatul eliberat de către compania „Japan Certification Services, Inc.”, cu sediul în Japonia, permite intrarea pe piața japoneză cu produse, datorită îndeplinirii stricte a „Codex Alimentarius Commission” - International Food Standard ce contribuie la siguranța și calitatea alimentelor.

Anual re-certificarea foarte strictă asigură garanția calității.

Deși acest certificat nu este menționat în documentele referitoare la produsele „Aloe vera Essens”, furnizorul de „Aloe Vera” le deține.

Compania mexicană „Supervisores Kosher” emite și garantează că produsele îndeplinesc eticheta „kosher”, ceea ce înseamnă că acestea sunt în conformitate cu legea iudaică.

Anual re-certificarea foarte strictă asigură garanția calității.

În concordanță cu certificatele de calitate și de origine, menționate, materia primă este, evident, testată și certificată cu „certificat de conformitate” cu toate reglementările și standardele în vigoare ale Uniunii Europene.
