

Colostrum Anti Aging Night Cream

Night cream with colostrum,
eliminating signs of age
50 ml / 1.7 fl. oz

Available scented
or unscented

Vitality, hydration, intensive care

Facial cream for night regeneration of the skin, containing substances that help to maintain young look of the skin – natural colostrum and patented cyclopeptide. Carefully selected combination of active components enhances the elasticity and strength of skin cells. Cream inspired by nature that slows the ageing process and provides for fresh-looking complexion.

Use: apply cream to clean skin and rub in.

Colostrum Anti Aging Tonic

Skin tonic with colostrum,
eliminating signs of age
150 ml / 5 fl. oz

Available scented
or unscented

Nurturing, refreshing, firming

Alcohol-free skin tonic contains natural colostrum and Physiogenyl. By applying the skin tonic you will make the skin hydrated and refreshed. Tonic is suitable as makeup remover, leaving the face and neckline area clean and ready for cream application. For morning vitality or perfect evening care.

Use: use the facial tonic on a cosmetic pad to gently clean the face, neckline and cleavage. Can be applied several times per day.

Colostrum Anti Aging Day Cream

Day cream with colostrum,
eliminating signs of age
50 ml / 1.7 fl. oz

Available scented
or unscented

Nurturing, hydrating, protecting, softening

Facial cream containing natural colostrum and special seaweed extracts to make the skin firm, hydrated and refreshed. Intensive action of the carefully selected components in the cream give the skin its morning freshness and everyday protection from damage, supporting regeneration of skin cells and eliminating wrinkles. Pampers your skin. Cream inspired by nature.

Use: apply cream to clean skin and rub in.

*Colostrum Anti Aging
