

Motivational relaxing stay in the land of Orient and thousand scents

Let's enjoy an all-inclusive seven days in Turkey! We can look forward to a one-day trip to Istanbul and excursions to the company SELUZ, the world's leading producer in perfume essences, where you will be able to attend a special workshop mixing YOUR OWN PERFUME!

While others will barely start looking through travel catalogs, we will be already basking in the sun and drawing energy and inspiration in the five star ultra all-inclusive hotel, located in the Turkish Riviera.
