

## CERTIFIKÁTY ALOE VERA

Náš dodávateľ aloe vera sa môže pochváliť mnohými certifikátmi kvality. Zoznámte sa s nimi.

Certifikát kvality vydaný medzinárodnou neziskovou spoločnosťou **The International Aloe Science Council**, ktorá sídli v USA a zaoberá sa len aloe vera.

Členov tejto organizácie tvoria pestovatelia, spracovatelia, výrobcovia, ale tiež lekári a vedci. Tieto väzby podporujú aloe vera a jej využitie v rôznych produktoch - nápoje, liečivá, starostlivosť o pleť atď. Výrobca suroviny aloe vera, z ktorej sú vyrábané produkty ESSENS, je nositeľom hneď niekoľkých certifikátov, ktoré sa vzťahujú ku konkrétnym produktom tejto spoločnosti.

Certifikáty udeľované americkou spoločnosťou **OCIA International Organic Certification**, založenou v roku 1979, sú svedectvom o kvalite poľnohospodárskych prevádzok a potravinárskych firiem, a to všetko v súlade s ekológiou a životným prostredím, teda bez použitia chemických postrekov a genetických modifikácií. Certifikácia je nielen v USA požadovaná zo zákona a podliehajú jej všetky kategórie: farmy, spracovatelia, výrobcovia atď. Certifikáty tak zákazníkom zaručujú ekologicky produkované suroviny.

Certifikát mexickej spoločnosti **VIVA HALAL A.C.** sa špecializuje na certifikáciu produktov určených pre moslimský trh, tzn. prijateľné podľa Šaría - islamského náboženského práva.

**FSSC 22000**

Certifikát FSSC 22000 sa týka plnenia požiadaviek na bezpečnosť potravín a vydala ho spoločnosť **GlobalSTD**, medzinárodne uznávaná certifikačná organizácia vykonávajúca audity a hodnotenie zhody podľa požiadaviek medzinárodných noriem. Certifikácia FSSC 22000 je založená na existujúcich ISO normách a je plne uznávaná organizáciou GFSI (Global Food Safety Initiative). Je určená na certifikáciu systémov pre bezpečnosť potravín u výrobcov zameraných na výrobu či spracovanie živočíšnych i rastlinných produktov, obalov pre potravinárstvo či výživových doplnkov.

Certifikát mexickej spoločnosti **Supervisores Kosher** zaručuje, že produkty spĺňajú označenie košér, tzn. že sú prijateľné podľa židovského práva.

Zárukou kvality je, že dodávateľ aloe vera pravidelne podstupuje veľmi prísnu recertifikáciu.

Okrem vyššie uvedených certifikátov kvality a pôvodu je surovina testovaná a certifikovaná "Prehlásením o zhode" so všetkými predpismi a normami platnými v Európskej únii.
